

## "HOT TIPS" FOR GROUP RENTALS

1. Complete all necessary forms that apply to your group.
  - A. Group Worksheet
  - B. Ski Rental Reservation form
  - C. Snowboard Rental Reservation form
  - D. Rental Liability Release Agreement. Please make a copy for each person renting skis or snowboards, and have all users sign this form. Parents or legal guardians of skiers/boarders who are 17 and younger must sign also. **Hand-deliver** the original, signed copy to the Rental Shop when you check in. We cannot accept copies or faxes of signatures. Having these forms signed for each user will save you time when you arrive.
2. All groups of 25 or more must complete and submit a Group Worksheet form 2 weeks prior to arrival.
3. If equipment rental is needed, groups must complete and submit the Ski and Snowboard Rental Reservation forms 2 weeks prior to arrival.
4. Rentals are set the afternoon prior to scheduled arrival based on information from the rental forms. If the group, or any members of the group, ski before the morning of the scheduled date of arrival, the skis will not be ready and they will be required to wait while the skis are being set.
5. The rental shop opens at 8:00 a.m. with very short or no lines at all. Plan to arrive at the Rental Shop as close to 8:00 a.m. as possible to minimize your wait time.
6. Please come as a group, all at one time. Be sure all members of the group know the name of their group and the name of the group leader.
7. The group leader will go to the register area in the Rental Shop and proceed from there.
8. If the group leader cannot be present, designate an assistant who is empowered to make decisions.
9. Please do not ski onto the parking lot or onto the concrete sidewalk in front of the Rental Shop.
10. Please do not put rental boots on heaters as it damages the boots. You will be held responsible for any damages.
11. Storage is free – just return to rental after skiing!
12. The group leader should inform the Ski Rental Shop or Boarder Dome if any changes to rental equipment has been made, i.e. upgrades and switches from skies to a snowboard or vice versa.
13. Over holiday periods, the newer rental inventory is subject to availability.
14. Payment for rentals will be paid for in their respective departments, i.e. ski rentals in the Ski Rental Shop and snowboard rentals in the Boarder Dome. If your group will be paying by check be sure to have a separate check for the Ticket Office, Ski Rental Shop and Boarder Dome.
